BARGAIN PRICE LIST

FOR

SPRING OF 1930

Ozark Nursery Co.

TAHLEQUAH, OKLAHOMA

PRICE LIST

DIRECT FROM THE NURSERY TO THE PLANTER

We have adopted the mail order plan of business and in this price list we are giving you the agent's or dealer's profits, which reduces the cost of your Nursery Stock about fifty per-cent.

In other words, we are pricing you for $1.00 the same amount of trees and as good ones as the tree dealer will sell you for $2.00. All reliable agents or tree dealers must charge you at this rate because they have to get about double to pay expenses, take care of bad orders, and make a profit for themselves, and a great many crooked ones make you pay four or five times its worth for very poor stock. We grow our own trees.

Our terms are cash with the order.

The prices in this list are net on less than $10.00, f. o. b. here, for express or parcel post. When postage is allowed see table on back page to find amount to send for postage. $10.00 to $50.00, we pay express or postage; $50.00 to $100.00, we pay express or freight and allow 5% discount; $100.00 or over, we pay express or freight and allow 10% discouunt.

IF YOU ARE NOT ENTIRELY SATISFIED WITH YOUR STOCK WHEN RECEIVED RETURN TO US AT OUR EXPENSE AND GET YOUR MONEY BACK.

CLUB ORDERS

If you will get your neighbor to order with you, it will save you money—both of you. If you do not want $10.00 worth of trees, but the two of you do want $10.00, then we will pack the orders separate, tag each, and ship together, and pay the express, and if by taking in several of your neighbors you can get $50.00 or $100.00 worth, we will pack separate, tag each, ship all together and allow you the discounts.
